

Ravenshall

all different | all equal | all important

8 November 2024

Dear Families,

Children in Need Friday 15 November

On Friday 15 November there will be lots of fun activities taking place in school in support of Children In Need by collectively travelling the distance from Ravenshall to Paris, by walking, running, cycling and dancing

BBC Children in Need is both a fundraiser and grant giver. The support offered to them helps make a difference to disadvantaged children and young people in communities right across the UK.

Everyone will raise awareness of Children in Need by travelling the distance from Ravenshall to Paris; walking, running, cycling and dancing

The day will be a non-uniform day in school. For anyone wishing to make a £1 contribution for the charity, you can do so via ParentPay, any donations will be gratefully received. We recognise that the cost of living is a challenge for many at the moment, so a contribution remains voluntary for families.

Thank you for your continued support.

Yours sincerely

C Collins

Mrs C Collins

Headteacher: Mr Rik Robinson
