MATHSCITY

4th January 2022

Dear families

S10, S11 and S13 trip to Leeds Trinity Centre - Wednesday 12th January

As part of their maths lessons your child will be visiting Maths City in Leeds Trinity Centre on Wednesday 12th January.

Maths City is an exhibition which will extend mathematical learning and encourage pupils to use a range of functional maths skills in a functional / real life setting.

There is no cost involved for this trip and no spending money is required. We will travel on school minibuses and will be back in school in time for lunch. Please remember to provide your child with a mask to wear whilst travelling.

Thank you for your continued support.

Yours sincerely

S Cocker
