Dear Parent / Carer

## Food Technology lessons – Spring Term (2)

This half term in Food Technology your child will be cooking a range of dishes and the theme will be Spring Baking. We will be making lots of fresh, healthy and exciting recipes. Pupils will further develop their skills, use a variety of equipment and learn how to stay safe in the kitchen.

In order for these lessons to take place we are asking for a payment of £1.50 a week. This will be £9.00 for the half term which is payable via ParentPay. Your payment includes the price of ingredients and containers to take food home in.

Thank you for your continued support.

Yours sincerely
