

Ravenshall

all different | all equal | all important

18th February 2022

Dear families,

On return after half term I will be delivering a key stage 4 assembly based around Pets As Therapy (PAT) dogs. I will be bringing in my dog Lilly, for pupils to see. Lilly is being trained as a PAT dog, she is a hypoallergenic and has a non-shedding coat that produces less dander and therefore said to be more compatible with people with allergies than are other breeds.

Lilly will remain with me throughout the assembly and will be on a lead at all times. Pupils will have the opportunity to see her but will not be handling her.

All KS4 pupils will attend, unless you wish to **withdraw** your consent for your child to attend the assembly. If so please complete the simple form by clicking on this link.

Thank you for your continued support.

Yours sincerely

R Simpson
