

Ravenshall

all different | all equal | all important

17th June 2022

Dear families,

We will soon be welcoming some rabbits into school who will reside in 'The Nest' within our Primary department. Whilst they will remain there, a timetable will provide an opportunity for pupils throughout school to visit and handle the rabbits. Pupils will be taught how to do this correctly.

If you would like to withdraw your child from handling the rabbits in school please complete the form using the following link.

Look out for their introduction on the school website soon!

Thank you for your continued support.

Yours sincerely,
